- B. [Uploading Turnitin Assignment 2](#)
- C. [Assessing similarity percentage](#)
- D. [Assessing your e-rater result](#)
- E. [Viewing feedback and result](#)

This is helpful to you in reducing the similarity percentage and improving your writing through the ETS rater. Turnitin compares the students' work to various online sources and the Turnitin database. The result is a Similarity report that provides a rate the similarity rating and highlights text found in the database and internet. On the other hand, the ETS rater gives you handy tools to correct the grammar, mechanics, and style of your writing. Turnitin also permits you to see the feedback and details of marking provided by your Lecturer.

Pre-condition

1. The user must be on a Moodle course page as a Student of the unit. See [Moodle Enrolment](#), [Accessing your course](#), and [The Moodle course](#).
2. The Course Editing is on. See [Course Editing On/Off](#).

Notes

1. Only text documents such as MS Word, PPT, Excel, pdf, and other similar files can return a similarity report.
2. You can submit your assignment anytime before the due date.
3. If the similarity percentage is high, you can download the assignment then edit them based on the highlighted texts to reduce the similarity percentage.
4. Check the ETS e-Rater to check for your article style, grammar, and spelling.
